Boys and Girls Basketball League

Welcome back to FSA Basketball. We've been doing this for more than 20 years at Lloyd Hall and we are looking forward to a great season. Our goal is to have fun, learn the game, and enjoy time together. Flexibility and understanding will be key to ensure a great experience for all.

As you know, there are some special regulations we'll be following to make sure everyone is safe while sharing the space at Lloyd Hall. These regulations are mandated by Philadelphia Parks and Recreation. We all must be vigilant in following them at all times.

- All participants, including children, must wear a mask while inside the facility. Please don't show up without one. We don't have extras.
- There's no eating or drinking inside the gym
- Occupancy is capped at 50 at any time in Lloyd Hall. Our 7-9 leagues are designed for close to 50 people per session
 - **We expect that all children in the 7-9 leagues will have one parent or guardian in attendance with no other spectators or siblings**
- Parents must sign a COVID-19 Parents Agreement and all participants must sign a COVID screening form prior to entering the building each time
- Stating the obvious: if you are not feeling well, stay home.

We have worked hard to optimize the time we have available for the most children possible. This will necessitate a more precise scheduling and transition process between sessions.

- **Please do not show up early** for your assigned practice and game time. Those waiting to play will not be able to congregate inside Lloyd Hall. Be mindful of weather conditions. The Cosmic Café will be open for food and drink which cannot be brought into the gym.
- **Participants will have to exit promptly** following their assigned practice and game time
- **Teams will need to actively communicate** with each other to ensure all team members are updated on any absences, etc.
 - The 7-9 league teams are smaller due to occupancy restrictions, so we need to know exactly how many children are attending each week. We'll adjust teams and competition to match team sizes.
